DEFINITION OF MATERIAL ADVERSE FACTS

A "material adverse fact" is defined in Wisconsin Statutes section 452.01 (5g) as an adverse fact that a party indicates is of such significance, or that is generally recognized by a competent licensee as being of such significance to a reasonable party, that it affects or would affect the party's decision to enter into a contract or agreement concerning a transaction or affects or would affect the party's decision about the terms of such a contract or agreement. An "adverse fact" is defined in Wisconsin Statutes section 452.01 (1e) as a condition or occurrence that a competent licensee generally recognizes will significantly and adversely affect the value of the property, significantly reduce the structural integrity or improvements to real estate, or present a significant health risk to occupants of the property; or information that indicates that a party to a transaction is not able to or does not intend to meet his or her obligations under a contract or agreement made concerning the transaction.
